

Volunteers are **valued** members of our healthcare team.

Volunteers give their time and talents to help supplement our professional staff and provide comfort and assistance to our patients.

Your interests, skills, and time schedule are taken into consideration and every effort is made to place you in a suitable area. You will receive the orientation and training necessary for your position.

All volunteers are required to attend an annual in-service and have a current TB skin test. Volunteers wear a **BLUE** vest that can be purchased through the Volunteer Services Coordinator's office.

NRH volunteers receive the following benefits:

- ◆ Free cafeteria meal for each 4-hour shift worked
- ◆ Free flu shot & TB Skin Test
- ◆ Meeting new people
- ◆ The knowledge & satisfaction of helping make a difference
