The Newman Regional Health Auxiliary volunteers work hard throughout the year to provide scholarship funds for area students each semester. They were thrilled to be able to award 17 scholarships amounting to a total of \$12,750 for the spring semester.

“The volunteers operate the Gift Shoppe and Snack Bar, which are the two main sources of revenue for the Auxiliary,” Jessie Wagoner, volunteer and social media coordinator at Newman Regional Health said. “The volunteers also coordinate several fundraisers throughout the year to raise additional funds for scholarships and to purchase needed items for the hospital.”

All the scholarship recipients are attending college in the state of Kansas. Several recipients are nursing students; others are pre-med, physical therapy, radiology and respiratory therapy. The Auxiliary encourages students who are pursuing a health related education to apply for a scholarship for the Fall 2018 semester.
