REGIONAL HEALTH

Dear Friends,

Welcome to Denim & Diamonds! As you enjoy this evening, we want to extend our deepest gratitude for your support this year. Your generosity has truly inspired us.

At Newman Regional Health, our top priority remains the health and well-being of our community. We are committed to standing strong, adapting to challenges, and ensuring that you and your loved ones receive the best possible care.

Tonight, Denim & Diamonds isn't just a celebration; it's a vital opportunity to invest in the future of healthcare right here in Emporia and the surrounding counties. We are thrilled to announce that all funds raised will go towards establishing a state-of-the-art cardiovascular lab at Newman Regional Health. This commitment will be truly life-saving, allowing us to diagnose and treat heart

conditions with advanced technology, ultimately saving countless lives.

We cannot achieve this ambitious goal alone. We rely on the continued support of our generous community and dedicated donors like you. Your contributions make a profound difference in the lives of our patients and empower us to provide the essential healthcare services our community deserves.

Thank you for being a part of the Newman Regional Health family. We are so grateful to celebrate with you tonight as we work together to build a healthier future for Emporia!

DEFENDING DIAMONDS

This year, our fundraising efforts are dedicated to establishing a state-of-the-art Cardiovascular Laboratory. Your participation directly contributes to the well-being and recovery of individuals in and around Lyon County who have cardiac and vascular illness. Our Cardiovascular Lab is accredited by the American College of Cardiology and provides an ever-expanding range of procedures. In the past year, the lab introduced intravascular lithotripsy to clear plaque from the heart and leg blood vessels, showcasing our dedication to advanced care. We are purchasing new imaging equipment, enhancing the resolution of heart vessel images, and to upgrade the intravascular ultrasound system for superior detection of abnormalities within the heart and legs. These advancements reaffirm Newman Regional Health's mission to deliver high-quality, innovative care close to home.

Thank You.
